JOEY HUNG · CREATIVE STRATEGIST · META ADS

My ad concepts bought customers 22% cheaper than everything else on cold traffic

Creative strategist on Flexxable's Instant AI Agency book funnel, a 7-figure brand on Meta, since June 2026. Every number below is a screenshot from the live ad account.

Read this before the numbers

This is a low-ticket, $14.40 book funnel. The front end isn't built to make money on the book; profit comes from the upsells and coaching, so judge the ads on cost per purchase, not front-end ROAS.
